

3D® Remover Pen™

Use the Remover Pen to make corrections on eyeliner, eyebrows, lip liner, temporary body tattooing and also to remove any unwanted semi-permanent makeup colors.

Caution: Use Remover Pen only on clean dry lips or skin. Do not use the Remover pen with or on wax based lipstick, lip gloss or any other oil or wax based products, as it will clog up the Remover Pen tip. Always wipe Remover Pen tip with an alcohol prep pad to maintain a clean pen tip.
